NOTIFICATION

Ride Manufacturer: J&J Amusements, Inc.

Affected Production Dates:
2005 to present.

Ride Name: Go-kart

Affected Serial Nos: All

Model: 2005 to present with removable back panel mount.

Abstract of Issue: Frame under the seat back mount can become damaged.

Reason for Release: Have received reports that, in time, the hardware that is used to attach the seat back mount to the frame can become loose and cause extreme vibration. This vibration can cause frame damage under the seat back mount.

Action to be Taken: Inspect for loose and/or missing nuts & bolts for seat back mount. Replace as needed. Bolt torque specifications per bolt size: 1/4= 6 ft lbs, 5/16= 13 ft lbs, 3/8= 23 ft lbs. When performing scheduled maintenance, all hardware needs to be inspected per J&J Amusements' go-kart service manual.
